Mission Statement

The Luzerne Intermediate Unit serves as a beacon of educational leadership that connects students with their individual potential, policy with procedure, professional service and action with a delivery system that is responsive, efficient and effective.

The LIU 18's Celebration Dinner for 35 Years of Educational Leadership & Excellence

Dear Friends of Luzerne Intermediate Unit 18:

It hardly seems possible that the Luzerne Intermediate Unit #18 is celebrating its 35th Anniversary. In 1970, we began operations with a small staff under the leadership of Mr. Nello Ricetti. It was a humble beginning, but an exciting opportunity that transferred the old county system of school governance to a new concept of regional leadership. Scores of people worked tirelessly to implement a vision that would help thousands of children improve the quality of their lives. Today, some 35 years later, we are planning a special event that will recognize 35 years of educational leadership within Pennsylvania.

We respectfully ask that you take some time from your busy schedule to join us. You may want to attend the dinner or decide to support the event in some other fashion.

We are writing to thank you for past and on-going support. We know your spirit of involvement and collaboration will make this a special event that will be enjoyed and remembered.

Sincerely,

Michael M. Ostrowski
Executive Director
