

Luzerne Intermediate Unit 18
LRE Low Incidence Committee
Vision Statement

The Luzerne Intermediate Unit believes that all children should be equal members, have access to, and participate in any educational learning community.

The Luzerne Intermediate Unit believes collaboration, communication, and cooperation among students, educators, administrators, and families is necessary to provide a unified educational system for all students.

The Luzerne Intermediate Unit believes that when students with disabilities are provided with appropriate instruction, supports, and supplementary aids and services each student will reach their fullest potential and receive meaningful educational benefit.
